Kelly Cooper Compared IRS Agents To The Nazi SS And The Gestapo. “HOST: It’s about 3,500 agents per state and with the need to justify their existence and given unprecedented authority and power, it sounds a lot like the SS or the Gestapo that was used in tyrannical governments before. And is that an extreme way to see the situation do you think? COOPER: I don’t think so at all. I think this is, based on history and what we’ve seen so far the last two years, that feels exactly like what this is.” [Interview on America’s Mom, Frank Speech TV Show, [8/17/22](#)]

Cooper refuses to acknowledge Joe Biden was legitimately elected president, and has been spreading lies and false information about voting in Arizona.

Cooper Refused To Acknowledge That Joe Biden Was The Legitimately Elected President. DIAMOND & SILK: “I want you to give me your honest answer. Do you believe that the 2020 election was stolen from President Donald J. Trump and we, the American people?” COOPER: “I believe that 2000 Mules showed us very clearly that there are, there is ballot harvesting, ballot harvesting invalidates those votes, I don’t know that there’s a different answer.” [Cooper on Diamond & Silk, [5/23/22](#)] (VIDEO)

Cooper: “In Arizona, As In So Many Other Places, The 2020 Elections Were A Disaster.” “We must ensure not only the integrity of our elections, but the ability to validate the outcomes. In Arizona, as in so many other places, the 2020 elections were a disaster. Rules changed by unelected bureaucrats. So-called emergency voting centers that were heavily skewed in liberal areas. Questions about signature verification and ballot security. And in the end, millions of Arizonans couldn’t help but wonder if their vote really counted. Instead of addressing these issues head on, Nancy Pelosi, Greg Stanton and the far left in Congress are working to nationalize our elections. This one size fits all approach would be a disaster for Arizona...it’s not about integrity, it’s a power grab, plain and simple. In Congress, I’ll protect our sacred right to vote, and make it harder to cheat. That is the only way to ensure confidence in our system and strength in our Democracy.” [Kelly Cooper for Congress, accessed [5/4/22](#)]
